

Dear Patient,

This letter is to inform you that, effective **December 1, 2025**, **Colorado Kids Dental**, located at 7901 E. Colfax Ave., Denver, CO 80220, will be closing.

This decision was made after careful consideration. Upcoming construction for the new Colfax trolley line is expected to significantly disrupt parking and patient flow, limiting safe and convenient access for families. To ensure continuity of care, we are proactively guiding patients to nearby offices.

Your Options for Continuing Care:

1. Continue care at one of our nearby Colorado Kids Dental locations listed below; or
2. Select another dentist of your choice, including another provider who may practice at the current location.

Your choice will not affect your ability to obtain your dental records.
